

I want to reduce my energy use without sacrificing comfort

- Set the water heater to 120°
- Wash full loads of laundry in cold water
- Switch to CFL and LED bulbs

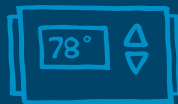

I want to know where I'm wasting energy

- Register your account online at pge.com
- Take the Home Energy Checkup at pge.com
- Create a Plan to Save at pge.com

Choose the Right Steps For You

I want to stay cool in the summer

- Set the thermostat to 75-78°
- Use a programmable thermostat
- Close curtains or blinds to keep rooms cool
- Use ceiling fans

I want to be cozy in the winter

- Set the thermostat to 68°
- Use a programmable thermostat
- Close vents in rooms not being used

I want a more energy efficient home

- Upgrade my home for up to \$6500 in rebates
- Upgrade my water heater for a rebate of up \$500
- Upgrade my clothes washer for a \$50 rebate
- Upgrade my pool pump for a \$100 rebate

**STEP UP AND
POWER DOWN**
